

BUILDING LASTING RELATIONSHIPS

SINCE 2001, CORESITE HAS BUILT AND OPERATED SECURE, RELIABLE, HIGH-PERFORMANCE DATA CENTER AND INTERCONNECTION SOLUTIONS SUPPORTED BY **INDUSTRY-LEADING CUSTOMER SERVICE**.

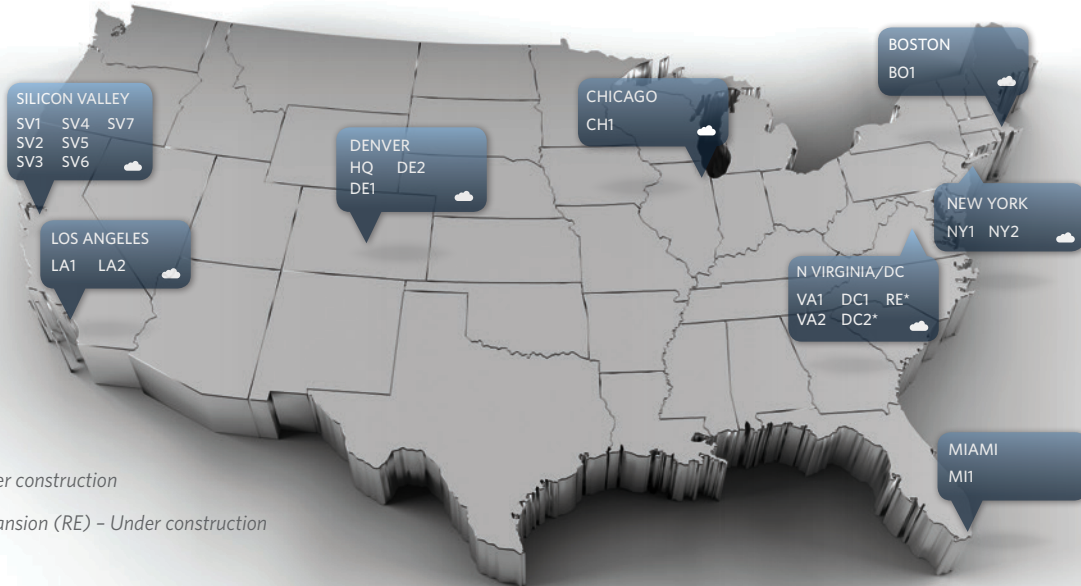

Across eight key North American markets, more than 1000 of the world's leading enterprises, network operators, cloud providers and supporting service providers choose CoreSite to connect, protect and optimize their performance-sensitive

data, applications and computing workloads. Our scalable, flexible solutions and 400+ dedicated employees consistently deliver unmatched data center options—all of which leads to a best-in-class customer experience and lasting relationships.

WHY COLOCATE WITH CORESITE?

- **Flexible deployments** including cabinets, cages, dedicated suites and entire build-to-suit buildings available, as well as standard to high-density configurations and common or dedicated infrastructure
- **Industry-leading customer support services** including remote hands, relocation and implementation assistance, environmental monitoring, and facility amenities
- **Presence** of 375+ network carriers and 300+ leading cloud and IT service providers with on-ramps to major public cloud providers
- **Multiple options** for establishing interconnections, including the CoreSite Open Cloud Exchange, Any2Exchange® for Internet peering, lit transport and dark fiber
- **Access to multiple** cloud services such as AWS Direct Connect, Google Cloud Platform, Microsoft Azure ExpressRoute and SoftLayer Direct Link in all eight markets
