

# Office 365

## **OVERVIEW:**

Office 365 is a subscription service that includes the most recent version of Office. Whether you're working in your office or on the go, you get a familiar, top-of-the-line set of productivity tools. Office applications – always the latest versions—let you create, edit, and share from your PC/Mac or your iOS, Android™, or Windows device with anyone in real-time.

## **SERVICES SOLD:**

**Desktop As A Service**

## **HOW WE CAN HELP:**

ITC can help customers prepare, enhance and manage their Office 365 environments with services such as DaaS or Desktop As A Service. Desktop as a Service (DaaS) provides virtual desktops to end users, allowing them to use any device (laptop, tablet, phone, thin client). It differs from VDI in that the provider hosts and manages the desktop virtualization platform..
